
As plans move forward for the biggest and best homecoming in the history of Salisbury State College Alumni, special invitations are being received from the classes which graduated in increments of 10 years prior to 1969. Also interest has been expressed by the class of 1944 in the "25 year" class. The following letters are directed to members of the appropriate classes.

CLASS OF 1929

It's been a long, long time; perhaps too long for some of us to admit! Much has occurred in the interim from depression days to this time of a more affluent society. Come on back to Salisbury State and catch up on what has happened to us all during this time. See the changes and growth of our College and you must meet its new president. Time and distance are "shorter" now than in 1929. Let's make this a grand reunion.

Martha R. Jones

CLASS OF 1939

Thirty years have been a long time. Many of you have attended Homecomings on a regular basis, I am sure. Unfortunately, I cannot make such a claim.

The Alumni Association of the College is planning a special invitation to the Class of 1939 to attend this year's Homecoming on November 1, 1969.

It should certainly be enjoyable for the Class of 1939 and gratifying to the Alumni Association if everyone made an extra effort to attend this year's Homecoming. I am sure we all are a little grayer, a little heavier, and in many cases wiser than we were thirty years ago. Might be fun to sit down and chat about it.

David Perry

CLASS OF 1944

Twenty-five years have slipped away and it would be so rewarding to get together once more. This is the chance you've been waiting for! For once in your life you will be sure to have a receptive audience to admire the pictures of the children and grandchildren or to hear how "Johnny" is doing in college.

Treat yourself and your spouse to a day in your old college town with friends who are anxious to see you and "catch up" on the important events in your life.

Rooms will be provided for private socializing and I hear that there will be an off campus dance where we can continue to enjoy each other's company.

Make up your mind to come, fill in the form, and have your name on the list for our 25th year reunion. You will be glad you did.

Ann Noble Bozman

CLASS OF 1959

Happy Anniversary! Well, it soon will be ten years. I can remember thinking that June 1959 would never come. Now it seems that it just could not have been that long since we all last got together at commencement.

Now is the time to put a circle around October 31, November 1 and 2 - Homecoming 1969!

Were you one of us who intended to come last year or the year before or one who really wishes you could have been there five years ago when many of your friends said they were going to Homecoming? Wait no longer! Many of our classmates have already told me they are planning to be at Homecoming in November.

Quite a lot of water has gone over the dam for us and many changes have taken place at Salisbury State. You'll be amazed when you see the campus and happy when you see your old friends. See you at Homecoming!

Jim Fox

CLASS OF 1969

THIS IS OUR FIRST. Let's make November our target date for a great big reunion for the class of '69. We have been active on the campus for the past four years and there is no reason why we cannot continue to be the most active group in the Alumni Association. Let's plan for a big reunion October 31, November 1 and November 2, 1969. See you all at Homecoming.

Ray Shingler
President, Class of 1969

HOMECOMING CO-CHAIRMEN

Our Homecoming co-chairmen for this year are Peg and Jim Davis. They presently reside in Salisbury and are actively engaged in Homecoming preparations.

Upon completion of college in 1961 Jim joined Safeway Stores, Inc., as an assistant manager. He later became employed by Rocke Laboratories as a medical sales representative. In 1967 Jim became associated with Scott Paper Company and at the present time is Senior Sales Representative for Scott on the "Eastern Shore".

Peg is an alumnus of the class of 1960. She and Jim married after her graduation. Peg taught for one year in Wicomico County and substituted in the Delaware school system. She and Jim are proud parents of three children ages 8, 6 and 4. Peg became interested in Social Work as a volunteer and later part time employee of Catholic Social Services, Inc. She is presently in the last few weeks of a two year masters program at the University of Maryland. By June she plans to have a M.S.W., part time employment at Catholic Social Services and more time with her family than the last two years have afforded.

Peg and Jim both say by November they will have recuperated from graduate school and be looking forward to Homecoming.

F L A S H ! !

The Student Body Homecoming Committee has just announced that it has secured Charlie Byrd for Friday evening's entertainment. He is an outstanding classical jazz guitarist and his group consists of approximately five other musicians. He is known to many of the alumni as a recording artist. This will be one of the highlights of your weekend stay at SSC.

DON'T FORGET - MEET YOUR CLASSMATES IN SALISBURY ON OCTOBER 31, NOVEMBER 1, AND NOVEMBER 2, 1969.
